Conference ________________________________ Date/Time________________
What subject(s) do you teach? _____________________________________________
What grade level(s) do you teach?___________________________________________

WE NEED YOU! The NASA Education and Public Outreach Group at Sonoma State University is looking for teachers to help evaluate instructional materials. This could involve completing a questionnaire or participating in a phone interview and take from thirty minutes to a few hours. You would be paid for your time, accordingly. If you could consider helping, please include your contact information below.
